

# SonWest Roundup

Hebrews 13:8

By Jamie Owens Collins

We're gonna ride; we're gonna ride;  
We're gonna ride with Jesus Christ.  
Round up your friends; we're on a quest.  
We're headin' out in the wild, wild West.  
Just like folks in olden days, we're gonna follow God together.  
Jesus Christ is the same yesterday, today and forever.

## ***Chorus:***

**Let's all meet at the SonWest Roundup  
Stomp your feet and shout, "Yee-haw!"  
Saddle up for the SonWest Roundup.  
We're gonna ride; we're gonna ride.**

**Bring your friends to the SonWest Roundup.  
Grab your hat and shout, "Yee-haw!"  
Git along to the SonWest Roundup.  
We're gonna ride; we're gonna ride; we're gonna ride  
With Jesus Christ**

**YEE-HAW!**
