

# Jesus Saves Us

Jesus did many amazing things. He healed and helped people. But Jesus also came to die. Some people wanted to arrest Jesus and kill Him!

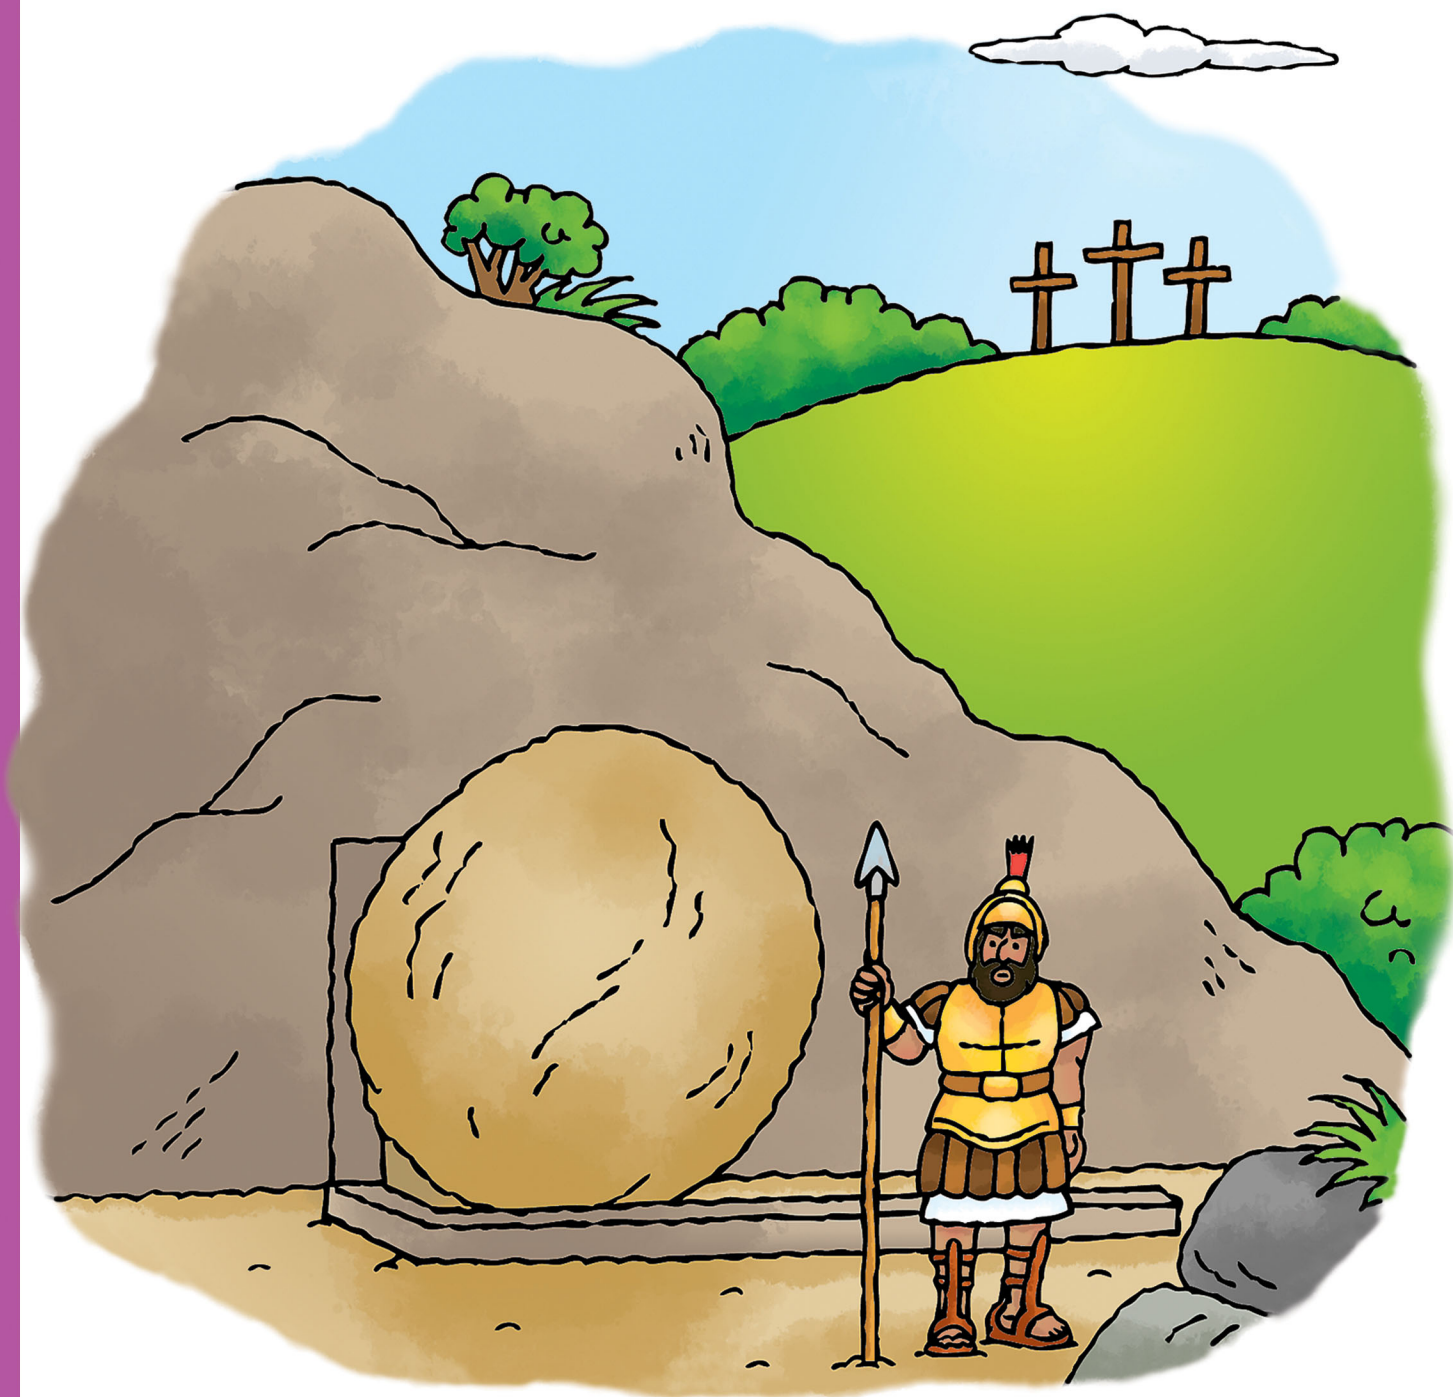

Jesus' enemies said bad things about Him.  
He let them. They hurt Him and put Him  
on a cross. He let them. This is how Jesus  
took the punishment for our sins.  
Finally, Jesus died. His friends were SAD!

Friends put Jesus' body in a little cave.  
They rolled a big, BIG stone over the door.  
No one could get in. And they thought no  
one could get OUT.

But then, the sun came up on the third day.  
God's power rolled the BIG stone away!  
Jesus was alive! He visited His friends  
and showed them that He was alive again.  
Nothing can stop Jesus!
