

God's Love Is Forever!

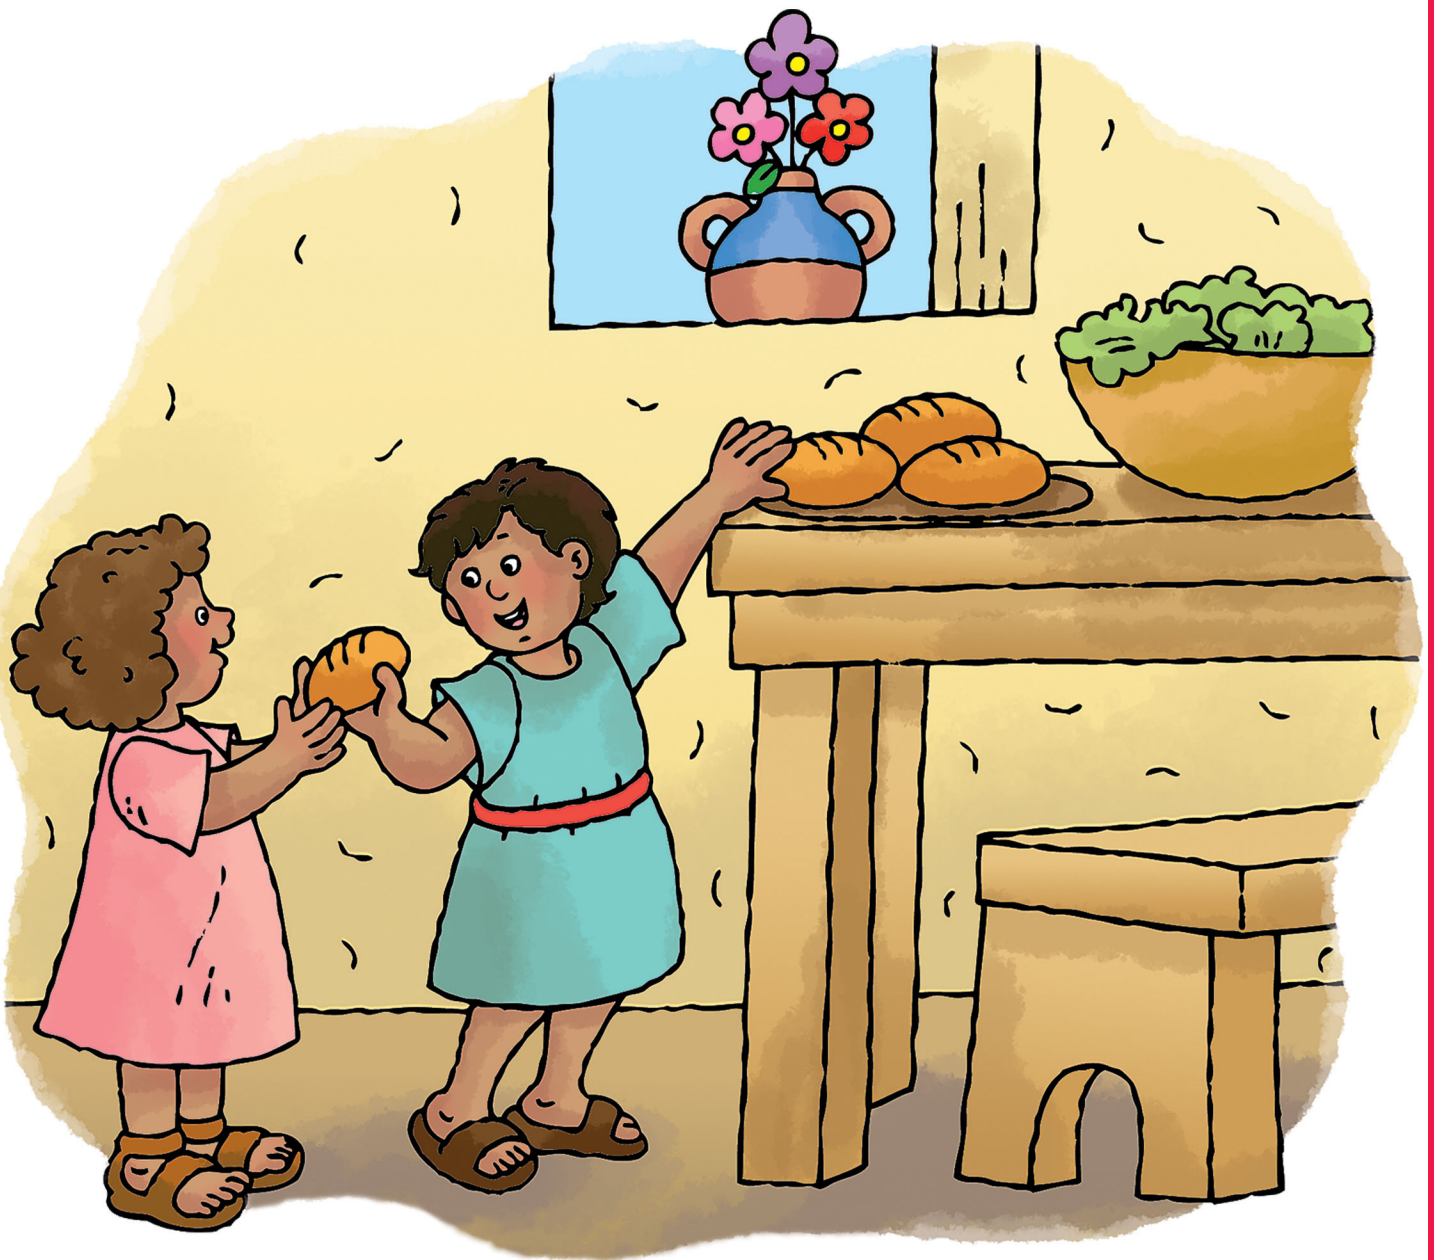

Jesus is alive! Jesus told His friends, "After I go back to heaven, tell people everywhere the good news that I love them. Show them My love. Help them learn the things I told you."

So Jesus' friends waited for God to send His Spirit to help them. When the Holy Spirit came, Jesus' friends told MORE people about Jesus' love. They showed love as Jesus did! God's family grew and grew!

The people in God's family also shared the things they had. They helped each other. They showed Jesus' love to the people they met.

When God's family showed love, other people were glad to know about Jesus! God's family grew and grew—and it is still growing, right now!
