

God Makes the World

God made a beautiful world! He made day and night.
He made the sky and clouds, the sun and moon.
He made the mountains and water, the trees
and the plants. But that's not ALL God made!

God made fish to swim in the water.
He made birds to fly in the sky.
He made all KINDS of animals to run on
the land. He said it was all VERY good!
But that's not ALL God made!

God also made a person.
He named the man Adam.
Adam cared for the beautiful garden
and named the animals.
But that's not ALL God made!

God knew Adam was lonely.
So He made a person for Adam to love.
Adam called her Eve.
God loved them and they loved God!
When God finished making them, God rested.
And that was ALL God made!
