

Water Ripples

Session 5

You never know how far God's love will go once you start to share His love with others. Complete each sentence to tell how you can show God's love.

I can show love at school by...

I can show love to my friends by...

I can show love to my family by...

God showed His love for me by sending Jesus to forgive my sins.

Tossing a rock in a pond sets off a chain reaction of ripples on the water.
