

# What Do You Think?

Session 3

Bible Verse  
John 14:6-7

Now that you've examined Jesus more closely, what do you think about Him?

If you had been there when Jesus was alive, what would you have believed about Him?

Look back at the descriptions you wrote on page 10. If God is REALLY like that, . . .

what problem can you trust Him to help you with?

when can you depend on Him to care for you?
